

Congratulations Curtis Johnson! Public Works Department **January 2012** **Employee of the Month**

Pictured: Curtis Johnson and Mayor Tommy Eschete

Linda Touns, Public Works, nominated Curtis: “Cheers to Curtis Johnson! While giving Warren Bartley a ride he learned that Warren had fallen and noticed that he was having difficulty in speaking. Curtis then advised Warren’s sister that she should check on Warren because he was concerned about him. Upon his sister taking Warren to seek medical attention, it was learned that he had a blood clot and was admitted to ICU. Warren underwent surgery and has now gone home and is recovering. I believe Curtis saved Warren’s life by taking it upon himself to alert his sister of his condition. Curtis displayed a Sense of Ownership and Commitment to Co-Workers and should be recognized for his actions.”

Delilah Duplantis-Baudoin, Human Resources called Warren’s sister, to check on him. Warren’s sister told me that Curtis Johnson should be praised because she believes he saved her brother’s life for caring enough to call her and inform her of Warren’s condition. Curtis knew that Warren lived alone and took it upon himself to go out and find his sister. She asked that I praise Curtis to his co-workers, the Mayor, and to his Supervisors.

If a City employee exemplifies an action that you consider above and beyond his/her daily responsibilities and duties and you would like to recognize them, please contact Delilah Duplantis at dduplantis@ci.thibodaux.la.us or 985.448.5854.
