

Employee of the Year: Rachel Mack!

The Prize Package (donated to Rachel) is valued at over \$750!

Many thanks to all the Thibodaux businesses that donated prizes for Rachel's package and for door prizes that were given out at the City of Thibodaux's Employee of the Year luncheon.

Rachel said, "It was such an honor to have been named the City's Employee of the Year! I sat with my daughter and opened all my prizes and it was so exciting! I received so many wonderful gifts. Thanks to every business that donated!"

We are still compiling the door prize list, but you can view the prizes that were donated for the Employee of the Year [Prize Package](#)!
