Entergy Continues to Support City of Thibodaux's "Prime Time Family Reading" Program

Thibodaux, LA – Mayor Charles Caillouet announces Entergy's continued financial support (\$2,500) of Thibodaux Recreation's PRIME TIME FAMILY READING Program with the Martha Sowell Utley Memorial Library and Lafourche Parish Public Libraries.

"This is a wonderful program that targets children ages 6 to 10 who may be experiencing difficulty with reading, and their parents, in an effort to help foster a lifelong love of learning through reading," stated Mayor Caillouet.

PRIME TIME, a six-week series of reading and discussion programs, includes sessions on such themes as fairness, greed, courage, cleverness, and determination. A discussion leader and a storyteller introduce parents to the benefits and pleasures of reading and discussing stories with their children.

The program aims to expand participants' understanding of reading through the use of children's literature with substantial humanities content. It focuses on expanding the teaching of literature, history and cultural values.

The PRIME TIME program is co-sponsored by the LA Endowment for the Humanities in conjunction with Entergy, Lafourche Parish Public Libraries, and the Thibodaux Recreation Department.
