**Mayor Charles Caillouet Executes Council Approved Grant Agreement
with Louisiana Office of Community Development**

Thibodaux, LA – Mayor Charles Caillouet announces the City of Thibodaux is set to receive \$50,000 from the Louisiana Office of Community Development. The funds will be used to purchase four emergency generators that will be used at sewer lift stations throughout the city.

Mayor Caillouet said, “In addition to the city’s grant application, the city is grateful to State Senator Joel Chaisson and State Representative Jerome “Dee” Richard for writing letters of support.”

There are forty-one lift stations throughout the city. Portable and permanent generators will be purchased with the funds.
