

**Question 4: What Year Were the Mailboxes Placed on the Northbound Lane of Canal Blvd.?**

**Answer 4: The year was 2000.**

No one correctly answered this week's trivia question; probably because it seems like the mailboxes have been there forever, right?

A.J. Ledet, Jr. mentioned (to Mayor Caillouet) the inconvenience of (always) having to make a U-Turn to use the mailboxes on the southbound lane of Canal Blvd.. The simple suggestion made perfect sense and soon after Mr. Ledet's comments, Mayor Caillouet had two mailboxes placed on Canal's northbound lane. The result: Convenience for ALL "Mailers!"

So... no Trivia King or Queen this week, but (when you see him) please be sure to thank Mr. A.J. Ledet, Jr. for making such a wonderful suggestion to the Mayor.

**Remember: Thibodaux is at its BEST when the residents get involved!**
