Chief of Police Scott Silverii announced the arrest of Derrick P Neville, 31, 176 Porche Lane, Houma for the crime of Domestic Abuse Child Endangerment.

On Wednesday, January 18, 2012, at approximately 10:39 PM officers responded to the 700 block of St. Charles Street, Thibodaux in reference to a Domestic Disturbance. Once on scene, officers were assisted by a concerned citizen who heard a female screaming for help in a nearby residence. While speaking with the concerned citizen, officers observed Neville leaving the residence holding a small child in his arms. Officers later located the female victim who told officers Neville grabbed her during an argument ripping her shirt. A criminal history check of Neville revealed he was on parole, and was a convicted sex offender. Neville was subsequently arrested, booked and transported to the Lafourche Parish Detention Center where he remains. The victim and the child received no injuries during the altercation.

Chief Silverii commends the concerned citizen for the willingness to get involved in assisting their community and the Thibodaux Police Department.
