

## HISTORIC DISTRICT COMMISSION MEETING MINUTES May 13, 2010

Members present: Malcolm Hodnett, Gayle Toups and Dr. Keri Turner  
Members absent: Lucille Henry and Joyce Toups

Mr. Hodnett stated we're here to discuss just general items we don't have a specific agenda because we don't really have anything coming up. Main Street, we haven't heard from Main Street in a while, I don't know. Ms. Toups stated maybe everything is fixed. Mr. Hodnett stated that would be nice thing. Ms. Toups replied yes. Mr. Hodnett stated so Main Street, we haven't heard from them and there is nothing else historically downtown that I can report on then, do you all have anything? Mr. Hodnett stated they did change West 2<sup>nd</sup> Street to a one way street which helps traffic; that helps it a lot. Ms. Toups replied your street. Mr. Hodnett replied no. Ms. Turner replied no, that is East. Ms. Toups stated West 2<sup>nd</sup> is a one way, I didn't know that. Mr. Hodnett replied yes on April 1<sup>st</sup>. Ms. Toups replied I didn't know that. Ms. Turner stated we were sitting in Rene's when we saw them that night when we saw them putting the barricades out. Ms. Toups replied I guess because I never go that way, I always you know from the bank or wherever I'm going. Ms. Turner stated they put all those barricades out warning people were so used to going... Mr. Hodnett stated well it is good because it cost me fifty bucks because my mirror hit somebody else's mirror because it is so narrow and my mirror shattered, I had to get a new mirror so I'm glad that they did that it is a good idea. So it is now all the opposite you know Main Street is going East and this one is going West and then the next one goes the opposite, so it is like that. Ms. Toups replied right, ok, good. Ms. Turner stated it was hard to pull out to see, you know how today when we were pulling out that white truck was parked right there. Ms. Toups stated I wanted to write a note on his door, on his window. Ms. Turner stated that is the same way it was when you were coming up I believe it was Green and the cars were parked right here, you could not see a car coming this way. Mr. Hodnett replied yes, that was a good thing. Ms. Toups replied that is good, I'm glad. Mr. Hodnett stated I don't know of anything else downtown, well do I have a motion to adjourn. Motion to adjourn was made by Ms. Turner and seconded by Ms. Toups, all members were in favor, meeting adjourned.
