

City of Thibodaux

"People First"

Senior Mayor for the Day Mr. Larry Fremin August 17, 2010

"Mayor" Fremin was born and raised in Thibodaux. He has been married to Marian Cavalier Fremin for 55 years. He has three children and one deceased son. He has six grandchildren and two great-grandchildren. "Mayor" Fremin graduated from Thibodaux College and Nicholls State University. He served four years in the United States Navy. After leaving the Navy, he worked at the "chemical plants" for 30 years with 25 of those years being at Freeport McMoRan. "Mayor" Fremin then went on to work at Nicholls State University for 17 years before retiring in 2009. He had a special day because in addition to attending usual activities, he was able to accompany Mayor Caillouet to the Beauregard Hall rededication on Nicholls Campus.

When asked what he likes most about Thibodaux, "Mayor" Fremin said, "There have been so many great improvements over the past ten years. The people are really friendly and the city is very clean."

Thank You, "Mayor" Fremin. You served the City well!
