### Thibodaux Receives Donation from Entergy

Entergy LA recently donated \$2,000 to the City of Thibodaux to sponsor a Prime Time Reading Program, which encourages family reading for under- served children ages 6 to 10 and their families.

Prime Time is a 6-week reading course that allows children and their parents to become familiar with the library and learn to enjoy and appreciate the educational opportunities of reading. Thibodaux's Prime Time Reading program is being sponsored in partnership with the Louisiana Endowment for the Humanities,

## THIBODAUX MAIN STREET

### Brackets and Banners

With the help from The Lorio Foundation and Thibodaux Main Street, Inc., the City of Thibodaux recently installed forty-four Decorative Wrought Iron Brackets and Colorful Banners in the downtown area. These banners can be seen from West 5th Street to Highway 1 and from Canal Boulevard to Jackson Street including the Jackson Street Bridge.

***Mayor Caillouet stated, "The decorative brackets and colorful banners make our downtown area of Thibodaux a vibrant and inviting place to work, live, shop and visit."***

This new addition is only one of many new beautification projects that are planned for downtown Thibodaux.

## HEALTH AND WELLNESS

### Add Fruits and Veggies to Your Diet

Eating lots of fruits and vegetables can help reduce your cancer risk. That's one reason the American Cancer Society recommends eating at least 5 servings of these foods every day. Fruit and vegetable serving sizes are

smaller than most people imagine, which makes them easy additions to a meal or snack. A banana here and a salad there can add up throughout the day and get you to your goal quickly.
