Senior Mayor

The City of Thibodaux has a program called "**Senior Mayor for a Day**" where we invite a Thibodaux senior citizen to serve as Senior Mayor for the Day. The program encourages positive communication between the city's senior residents and the city's leadership team.

Pictured with Mayor Caillouet: [James Howard](#). Mr. Howard served as Senior Mayor on Tuesday, July 20, 2010.

Anna (Toonie) Cedotal is scheduled to serve as our next Senior Mayor on August 3, 2010.

If you would like to nominate our next Senior Mayor, contact Luci Spósito at lspósito@ci.thibodaux.la.us or 985-448-5852. Nominee must be 65 years or older and live in the city limits.

Employee Spotlight

Lieutenant Kim Favalora

Department & Position: Thibodaux Police Department, Chief of Detectives

Time employed with the city: 10 Years and many more to come.

What do you enjoy most about working for the city?

Thibodaux is the only place I've ever lived or worked that felt like home. The people here, fellow city employees and the residents alike, are very friendly. It's an honor to work for them.

What changes (if any) have you seen occur in the city over the months/years?

The sense of division between different city departments has lessened, and most recognize that we are all working for the same thing - to improve the quality of life for

the people of Thibodaux. Within the police department I have seen an increase in professionalism and accountability, the issuing of take home units, and the acquisition of new equipment.

Report Street Light Outages

Mayor Caillouet and Entergy request assistance in identifying streetlight outages in the city. If you would like to report a streetlight outage, contact Entergy Corporation at 1-800-ENTERGY (1-800-368-3749).

Quote of the Week

For a long time it had seemed to me that life was about to begin - real life. But there was always some obstacle in the way, something to be gotten through first, some unfinished business, time still to be served, a debt to be paid. Then life would begin. At last it dawned on me that these obstacles were my life."
