Mayor Charles Caillouet

City of Thibodaux

Dear Luci,

Line of Heavy Rain Heading Toward Lafourche Parish

From the National Weather Service...

Over the next few hours a narrow band of moderate to heavy rainfall will move into and through portions of Lafourche Parish from St. Charles and Jefferson Parishes.

An urban and small stream advisory is in effect for the extreme eastern portion of the parish through 2:30pm. Rainfall rates of 2 to 3 inches per hour will be possible...which could cause ponding of water on low lying roadways and in areas of poor drainage.

National Weather Service forecasters are monitoring the situation and will extend the flood advisory or issue a flash flood warning if necessary.

Sandbags are available at all Parish Field Office Locations as follows:

Thibodaux Field Office - 2565 Veterans Blvd

Choctaw Field Office - 122 Choctaw Barn Road

Bayou Blue Field Office - 104 Myrtle Place

Raceland Field Office - 129 Texas Street

Lockport Field Office - 6236 Hwy 308

Cut Off Field Office - 128 West 97th Street

St. Patrick Highway's Re-Opening Has Been Rescheduled For Thursday, August 19th

"Although the vast majority of work on St. Patrick Hwy is done, safety concerns prevent us from re-opening before Barriere Construction completes the shoulder work and striping. I will continue to issue updates if Barriere Construction submits further changes to the August 19th date. Thank you for your patience."
