Under circumstances such that the recipient entity has not demonstrated substantial progress towards goals and objectives, based on established measures of performance, further disbursements shall be discontinued until substantial progress is demonstrated or the entity has justified, to the satisfaction of the Agency, reasons for the lack of progress. If the Agency determines that the recipient failed to use the Line Item Appropriation within the estimated duration of the project or failed to reasonably achieve its specific goals and objectives, without sufficient justification, the Agency shall demand that any unexpended funds be returned to the state treasury within 45 days of the demand unless approval to retain the funds is obtained from the Division of Administration and the Joint Legislative Committee on the Budget.

ARTICLE V – TERMINATION FOR CAUSE

5.1 The State may terminate this agreement for cause based upon the failure of the Contracting Party to comply with the terms and/or conditions of the Agreement; provided that the State shall give the Contracting Party written notice specifying the Contracting Party's failure. If within thirty (30) days after receipt of such notice, the Contracting Party shall not have either corrected such failure or, in the case which cannot be corrected in thirty (30) days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then the State may, at its option, place the Contracting Party in default and the Agreement shall terminate on the date specified in such notice. The Contracting Party may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the State to comply with the terms and conditions of this agreement; provided that the Contracting Party shall give the State written notice specifying the State's failure and a reasonable opportunity for the State to cure the defect.

Notice of any such assignment or transfer shall be furnished promptly to the State.

ARTICLE IX – FINANCIAL DISCLOSURE

9.1 Each recipient shall be audited in accordance with R.S. 24:513. If the amount of public funds received by the Contracting Party is below the amount for which an audit is required under R.S. 24:513, the transferring agency shall monitor and evaluate the use of the funds to ensure effective achievement of the goals and objectives. This evaluation shall be based upon the progress reports and cost reports as provided and certified by the Contracting Party under the requirements of this agreement, as well as any site visits that may be made under the provisions of this agreement, to ensure effective achievement of the goals and objectives.

ARTICLE XII – FISCAL FUNDING CLAUSE

12.1 The continuation of this agreement is contingent upon the appropriation of funds to fulfill the requirements of the agreement by the legislature. If the legislature fails to appropriate sufficient monies to provide for the continuation of the agreement, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the agreement, the agreement shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

ARTICLE XIII – TERM OF CONTRACT

13.1 This Agreement shall begin on July 1, 2025 and shall terminate on June 30, 2026. Every effort should be made to complete the objectives of the agreement and incur approved expenses by June 30, 2026. There is no extension of the June 30, 2026 deadline without legislative action and approval.
