Authorization Form for Utility Bank Draft

I authorize the City of Thibodaux and the financial institute named below to draw drafts against my bank account in payment of my utility bills. Until this authorization is revoked in writing and received by the City at least 10 working days prior to the presentation of a draft, the bank is authorized to pay these drafts. I understand it is my responsibility to look for **"NET PAID BY DRAFT"** on my utility bill. If **"NET PAID BY DRAFT"** it is not on my utility bill, I am responsible to use another form of payment by my due date to avoid any additional charges to my utility account.
