Re: Water Leak Repairs
E 12th Street and President Street Area
Work to be done on Friday, November 6, 2020

To Whom It May Concern,

Contractors will be performing repairs on the water lines in your area beginning at 7:00 am the morning of Friday, November 6, 2020. Your water will be temporarily shut off while these repairs are being done. These repairs should not take more than a few hours, but worst-case scenario would be that the water will be out until approximately 2:00 pm. We will do our best to have everything back up and running as quickly as possible. We apologize for any inconvenience this may cause.

Please direct any questions to the Gas and Water Division at 985-446-7216.

Sincerely,

James Lucas
Public Works Director
