

SERVITUDE INFORMATION

Digging in Servitudes - Fences, Walls and Concrete

Indiscriminate digging in servitudes has the potential for:

1. **Life threatening episodes**
2. **Delay of project if underground involvement's are encountered**
3. **Unnecessary expense**

Call LOUISIANA ONE CALL at 1-800-272-3020

All excavations, particularly those in servitudes are covered by many federal, state and city regulations. In order to make certain you have done everything in your power to prevent excavation problems, you should:

Make this call at least 48 hours before any excavation work is done. This call will result in all underground lines being marked.

CALL CITY INSPECTOR'S OFFICE at 446-7208

Fences, walls and concrete placement in or over servitudes may require prior approval from the City.

NOTE: No part of a building shall be built upon or overhang any part of the servitude.

Driveways not allowed over sewer manholes or drainage inlets.
